Description

Set in the heart of the countryside, far from any noise pollution, the trapper's cabin offers an exceptional panoramic view of the Aude plain and the Pyrenees mountain range. This unique cabin, handcrafted from local timber and eco-friendly materials, can accommodate between 1 and 5 people, making it an ideal spot for a couple, a family or a group of friends. Enjoy its comfort and private terrace to fully recharge your batteries. The cabin forms part of a 2-hectare wooded and fenced estate, which also comprises four self-contained guest rooms, a gypsy caravan and a modern loft. You'll find a range of activities for all ages: a playground, a panoramic pétanque court, table football, table tennis, giant chess, a picnic area, and an outdoor hot tub with stunning views of the Pyrenees (on request). The horses, hens and ducks on the estate will delight young and old alike. The estate has a private, enclosed car park. Nearby, you can explore numerous mountain bike trails and enjoy the GR 7 walking route. For swimming, Lake Lampy is 10 km away. All the shops and restaurants in Saissac are within easy reach in the village, 2 km away. Carcassonne and the Canal du Midi are just 20 minutes away, and the Mediterranean is an hour's drive away.
