Description

In an elegant setting that combines tasteful furniture and trinkets discovered here and there by the hostess, Elodie, you will enjoy a cuisine that is both modern and that keeps with local traditions. The chef, Bernard, adds the fine touches of the Mediterranean to his dishes. A menu that changes with the seasons or just with the day's feeling... In summer, enjoy the tapas served on the terrace under the wonderful contemporary tent; unless you prefer to sit in the beautiful shaded garden alongside the fortifications.
