Description

L'Ostal des Troubadours is one of the oldest restaurants in the city of Carcassonne. Ancient Roman tavern in view of the pottery and kitchen reliefs found in its foundations, which has become an inn on the way to Compostela (13th century porch) additions over the centuries have earned it its 16th century mullioned facade. Fireplace and beams from the 14th century are as massive as they are authentic! Its Two Rooms with rustic charms will make you relive a more romantic era. You can also prefer to take advantage of its balcony on the first floor or dine on its terrace on the ground floor. The atmosphere is warm: regional specialties, grilled meats over a wood fire, group meals, live music...
