Description

A two-hour walk, full of stories both great and small in French, Dutch, English and German, and including the Jean-Nicloux museum, the church of Saint-Martin, the Tomb and Cross of the Commanders, the medieval garden, the winegrower's garden, the 'Païchère' and the Château de Rustiques. A museum guide will take you through the history of the village, which has maintained its traditional setting and 'rustic' character. Local history buffs are in for a real treat!
