Description

Just 10 minutes from Carcassonne, not far from the Canal du Midi, a Minervois property curled up between the vineyards ready to welcome you. A family-minded business. Each person has their own skill, which makes this a place where everyone is perfectly in tune with constant humour. A touch of modernism animates this traditional estate. From a wine perspective, alchemy presides with avant-garde techniques... always resulting in decorated wines... The tasting cellar carved our of the rock, a renovation that unites the old with the contemporary... with a personal welcome, well worth the detour. A must-see..
