

DOMAINE DE LA SAPINIÈRE

Carcassonnais

Attribution : 124844908_870228117044885_6766418316447386003_n

Useful information

Category : Wine cellars and local produce

Label : Pays Cathare, Agriculture raisonnée, Agriculture Biologique

Description

Joëlle and Dominique Parayre welcome you to an exceptional site facing the mediaeval City of Carcassonne, in their splendid wine-cellar with its exposed stone façade. These passionate wine-growers will let you taste their wines and visit the vineyard that they tend to, in full respect of the environment, in an effort to bring out the best typical flavour of the origin-controlled AOC Malepère wines.
