

# CHATEAU RUSSOL

Minervois

Attribution : GRAPPE RAISIN

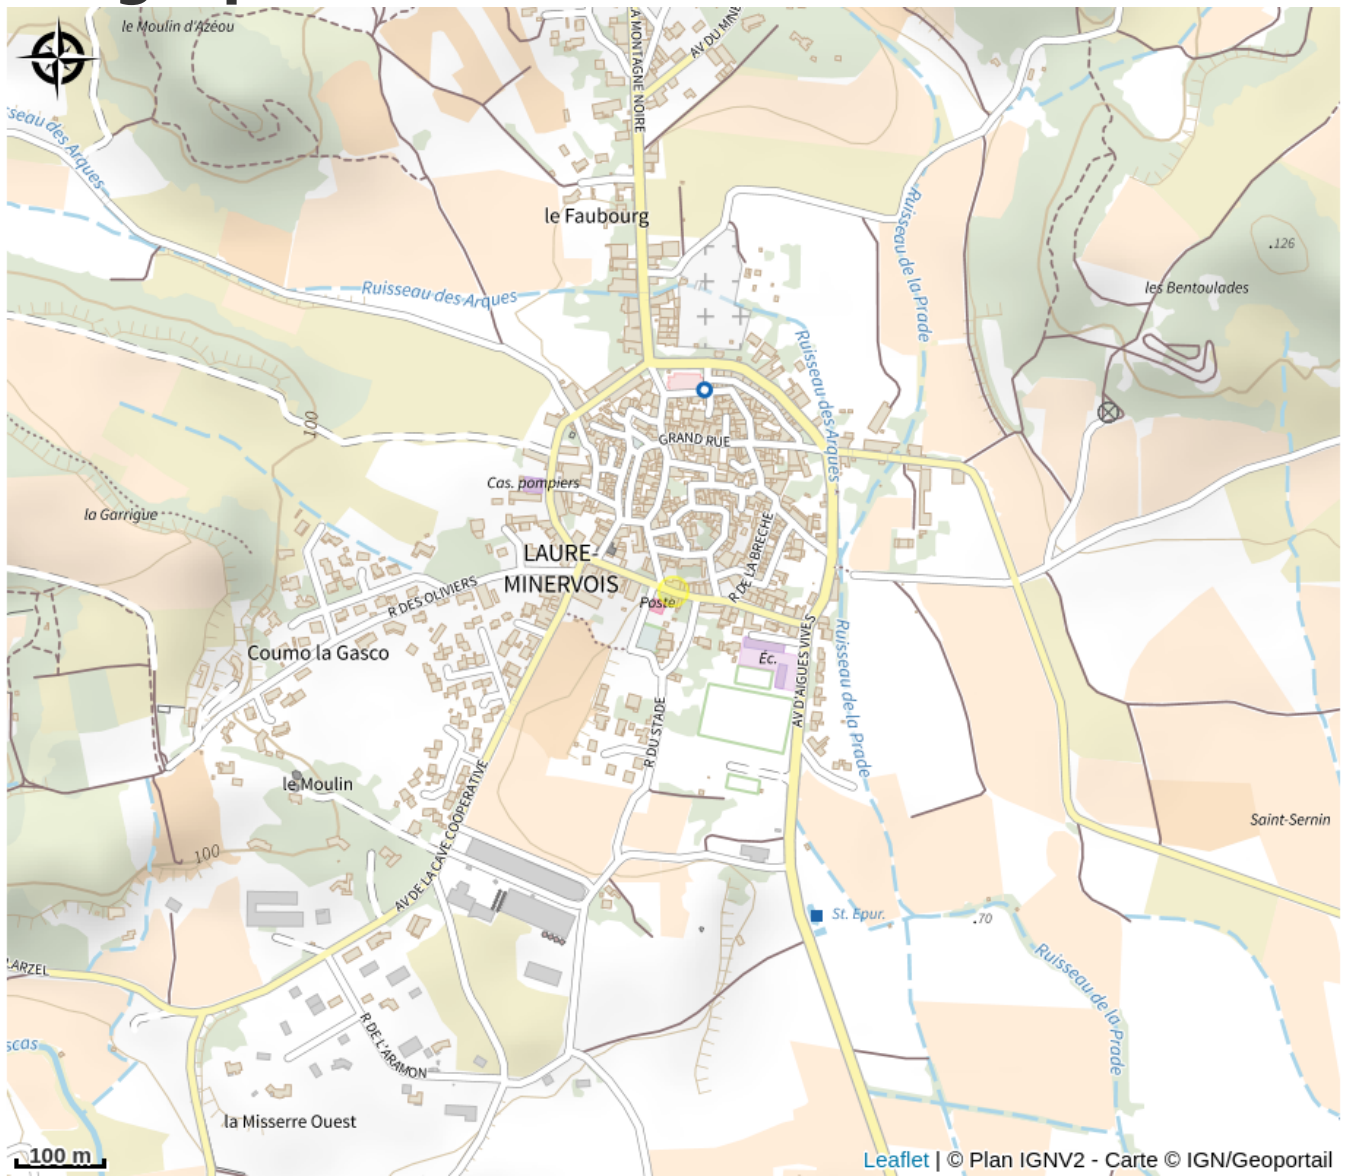

## Useful information

Category : Wine cellars and local produce

# Description

Château Russol has been run by Bernard Gardey de Soos since 1988. The 156-hectare estate includes vineyards, fields, coniferous woods and scrubland. The very arid location enables the dozen grape varieties to flourish. You can visit one of the largest dolmens in Europe and a 17th-century winery.
