Description

Our 160-hectare vineyard is located just a stone's throw from the City of Carcassonne and the Canal du Midi. We produce PGI Cité de Carcassonne and PDO Cabardès wines. The Cabardès region boasts an exceptional microclimate, influenced by the winds from the east and west, perfect for growing Atlantic and Mediterranean grape varieties. Our wines are powerful, rich and fine. Tours of our estate are available for anyone curious about wine making.
