Malepère

Useful information

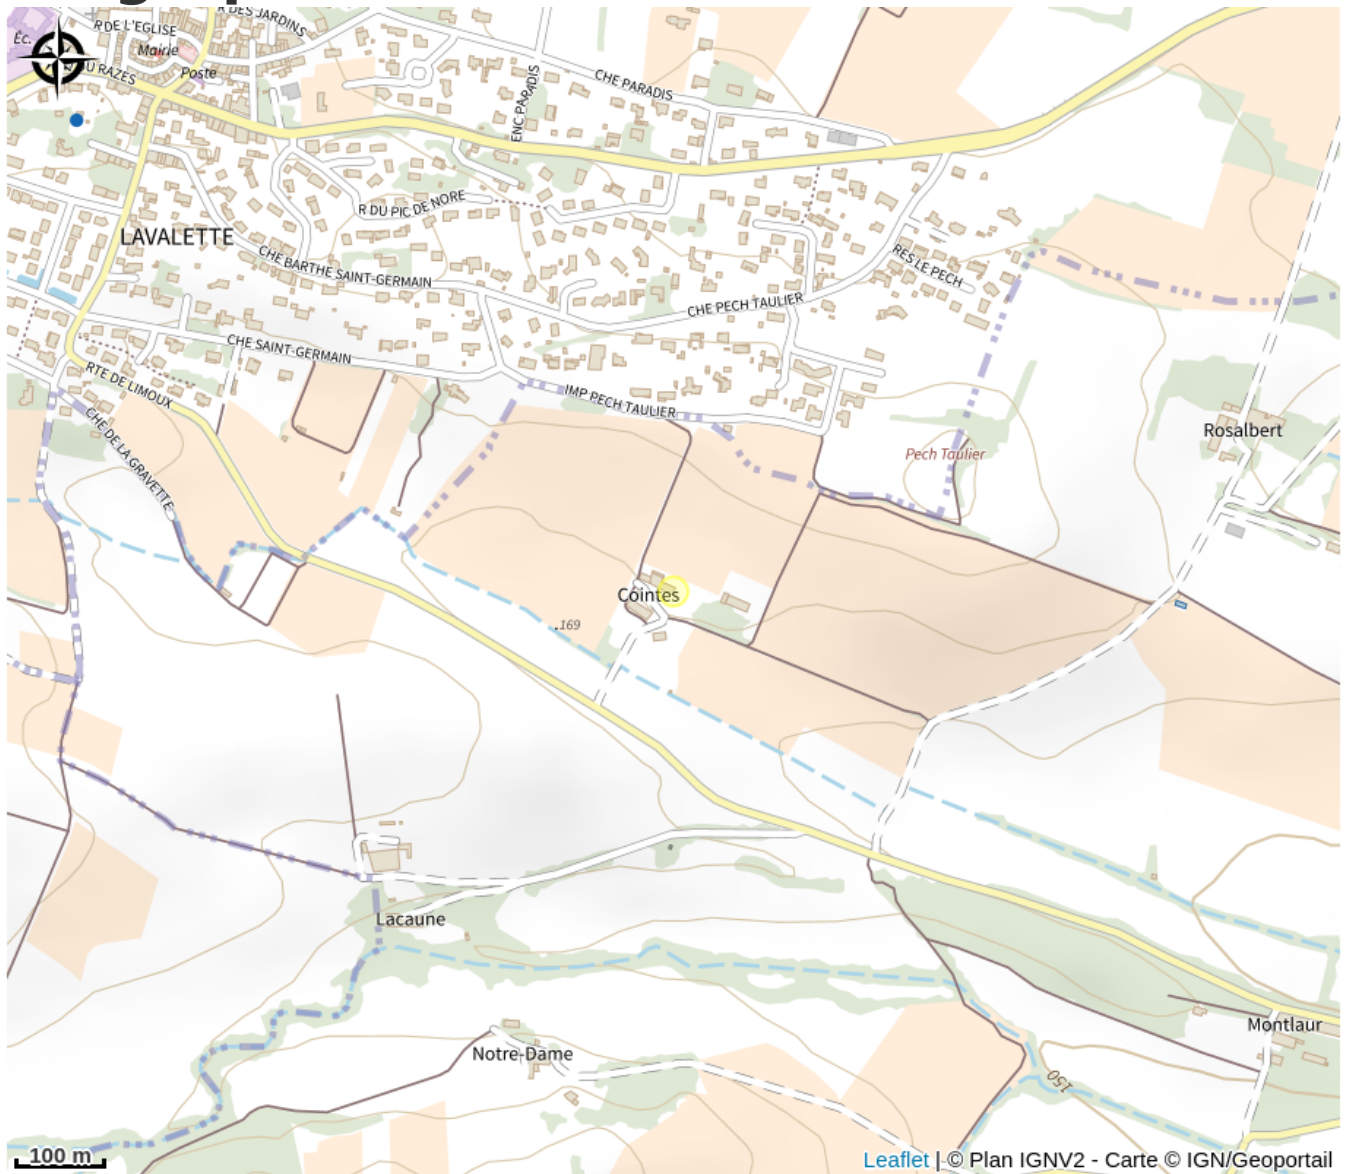

Category : Wine cellars and local produce

Label : Pays Cathare, Agriculture Biologique

Description

Anne and François GOROSTIS, wine-growers at a private cellar since 1990, took over the family estate, acquired by the François' Grandfather in 1924. Château de Cointes produces PDO Malpère red and rosé wines, as well as red and white “Vins de Pays”. For 20 years, the Château has been known for its quality wines, due to the various awards received during wine fairs, as well as their constant reference in wine guides. In 2007, a holiday cottage was opened in the heart of the vineyard and can accommodate up to 6 people. The GOROSTIS family takes significant pleasure in sharing their love of both land and wine. Open off-season on appointment.
