Useful information

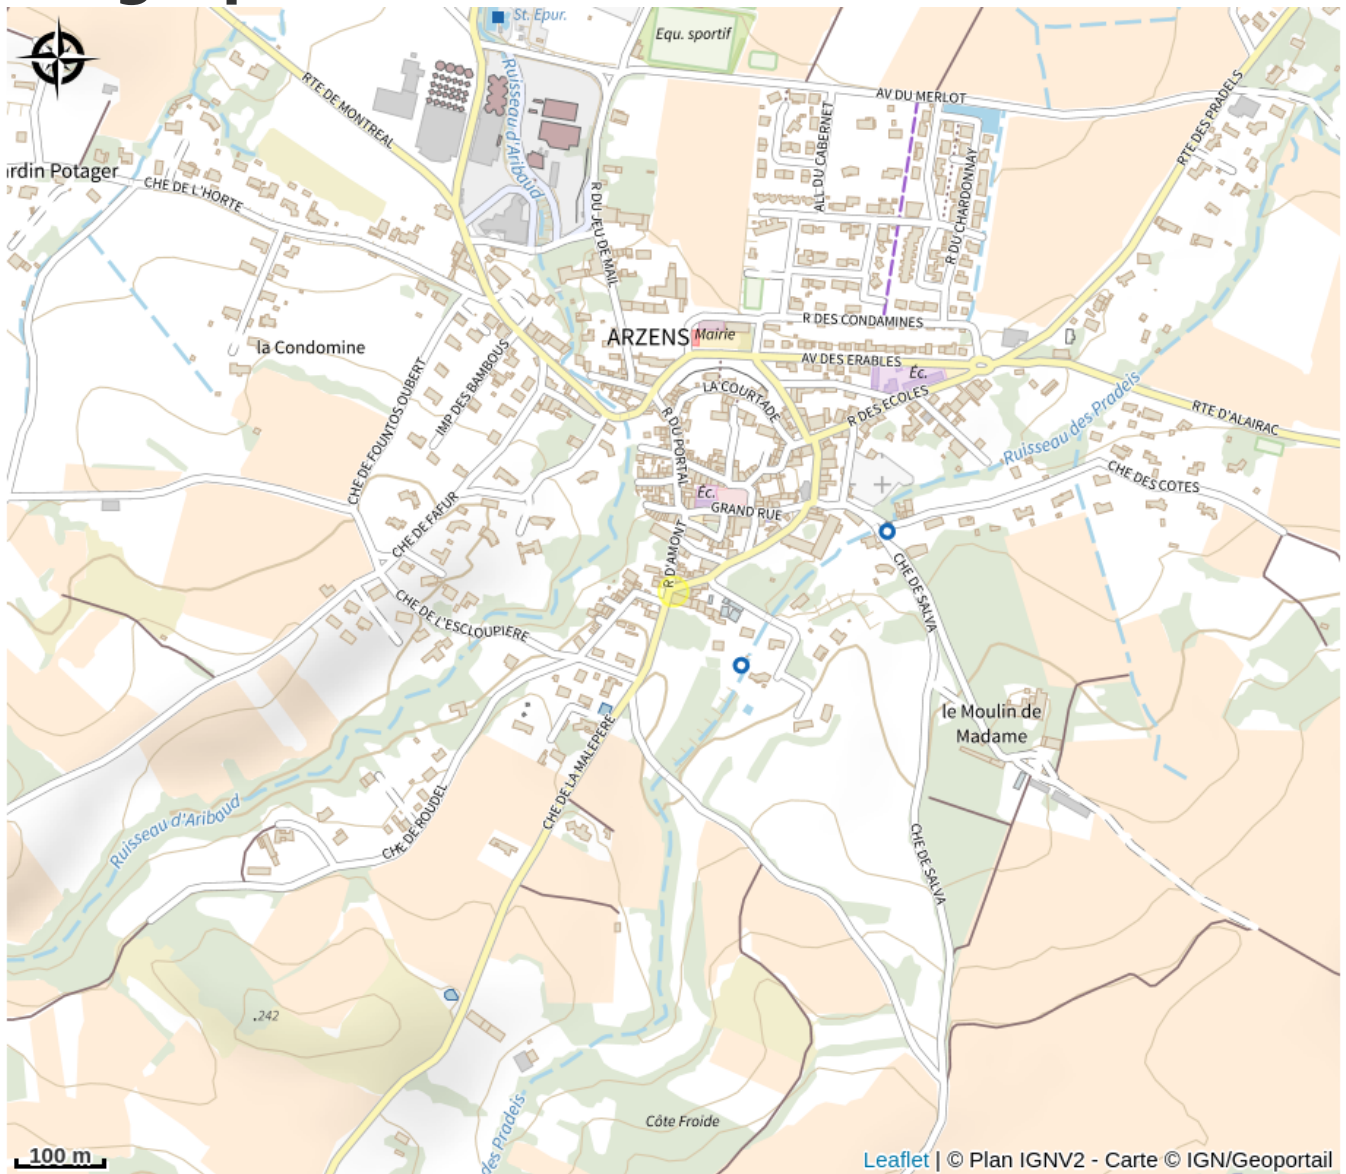

Category : Wine cellars and local produce

Label : Pays Cathare, Agriculture raisonnée, Agriculture Biologique

Description

Property spanning 43 ha of vineyards in the heart of the Malepère mountain range between the Atlantic Ocean and the Mediterranean Sea, at the foot of the city of Carcassonne where sweetness rhymes with flavours. For 5 generations, men and women have been cultivating the vine in Malepère in accordance with human and environmental values. A subtle alchemy of flavours and lands. Our wines are produced in line with conditions governing the transformation of land according to environmental protection principles. Each wine is signed by the winemaker.
