Minervois

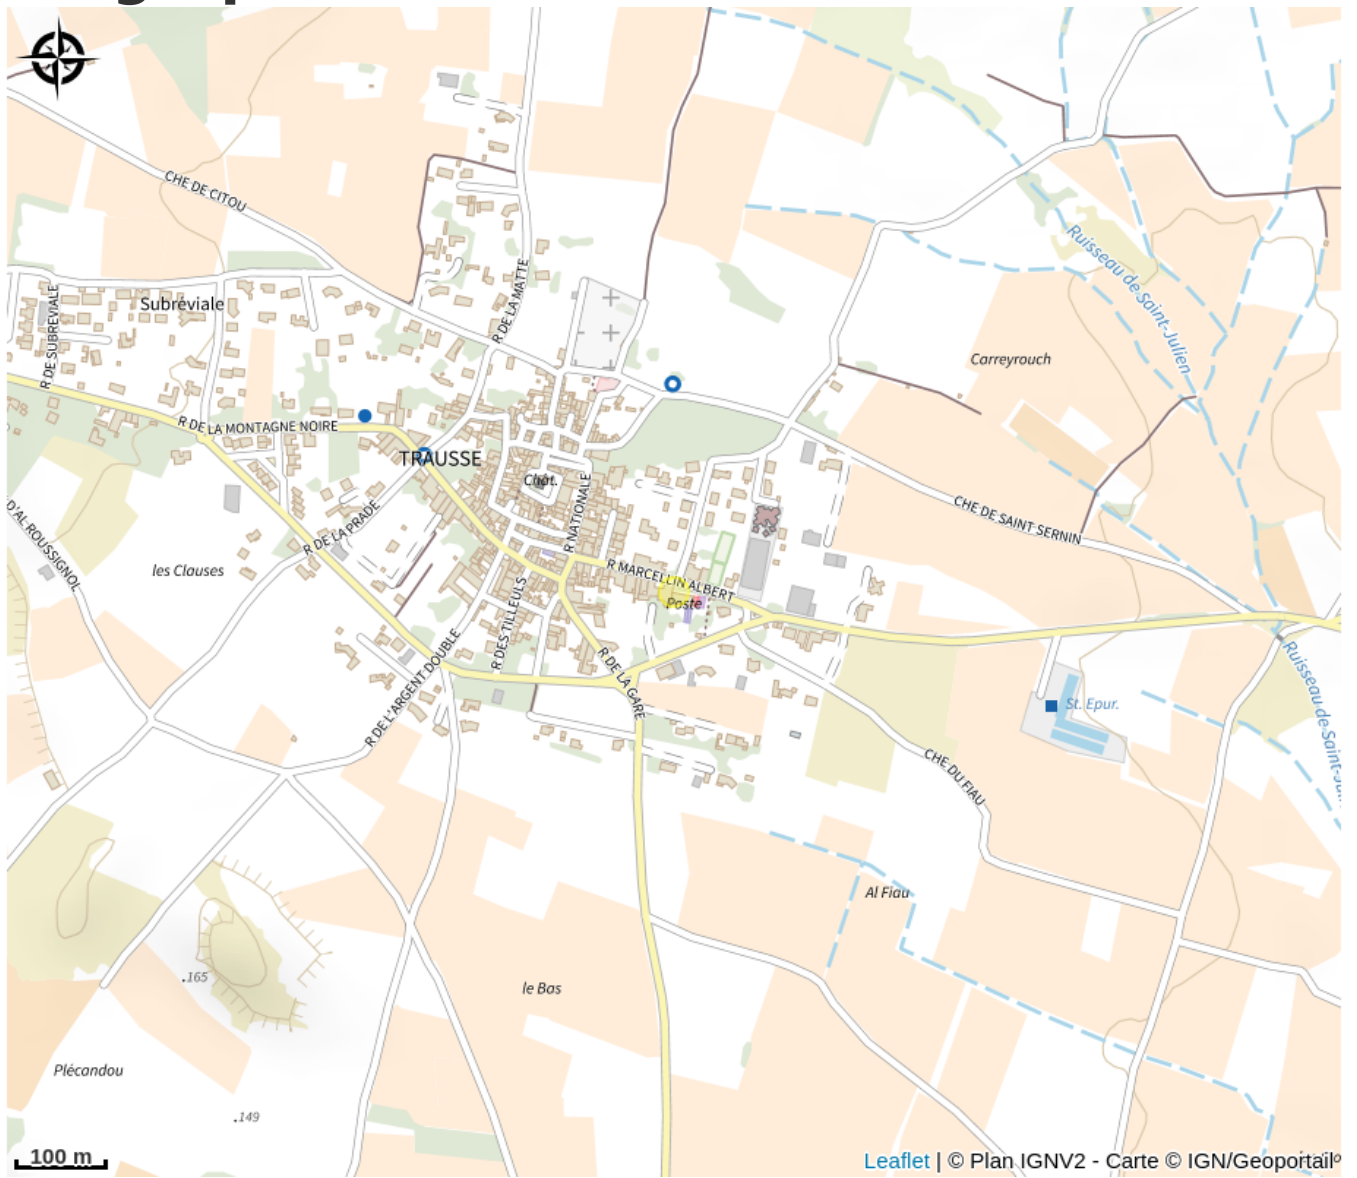

Useful information

Category : Wine cellars and local produce

Description

The Domaine de Chamans is located on the southern slopes of the Montagne Noire in a valley isolated from other vineyards. Here, we use agrobiological growing methods which allow us to preserve the authenticity of an exceptional terroir. (AB and Demeter certified) Our symbol of the black sheep is there to remind us that the Languedoc gives us the opportunity to make different, high-quality wines. We may not please everyone, but our ambition is to reward the daring.
