

DOMAINE SAINTE MARIE DES PINS

Carcassonnais

Useful information

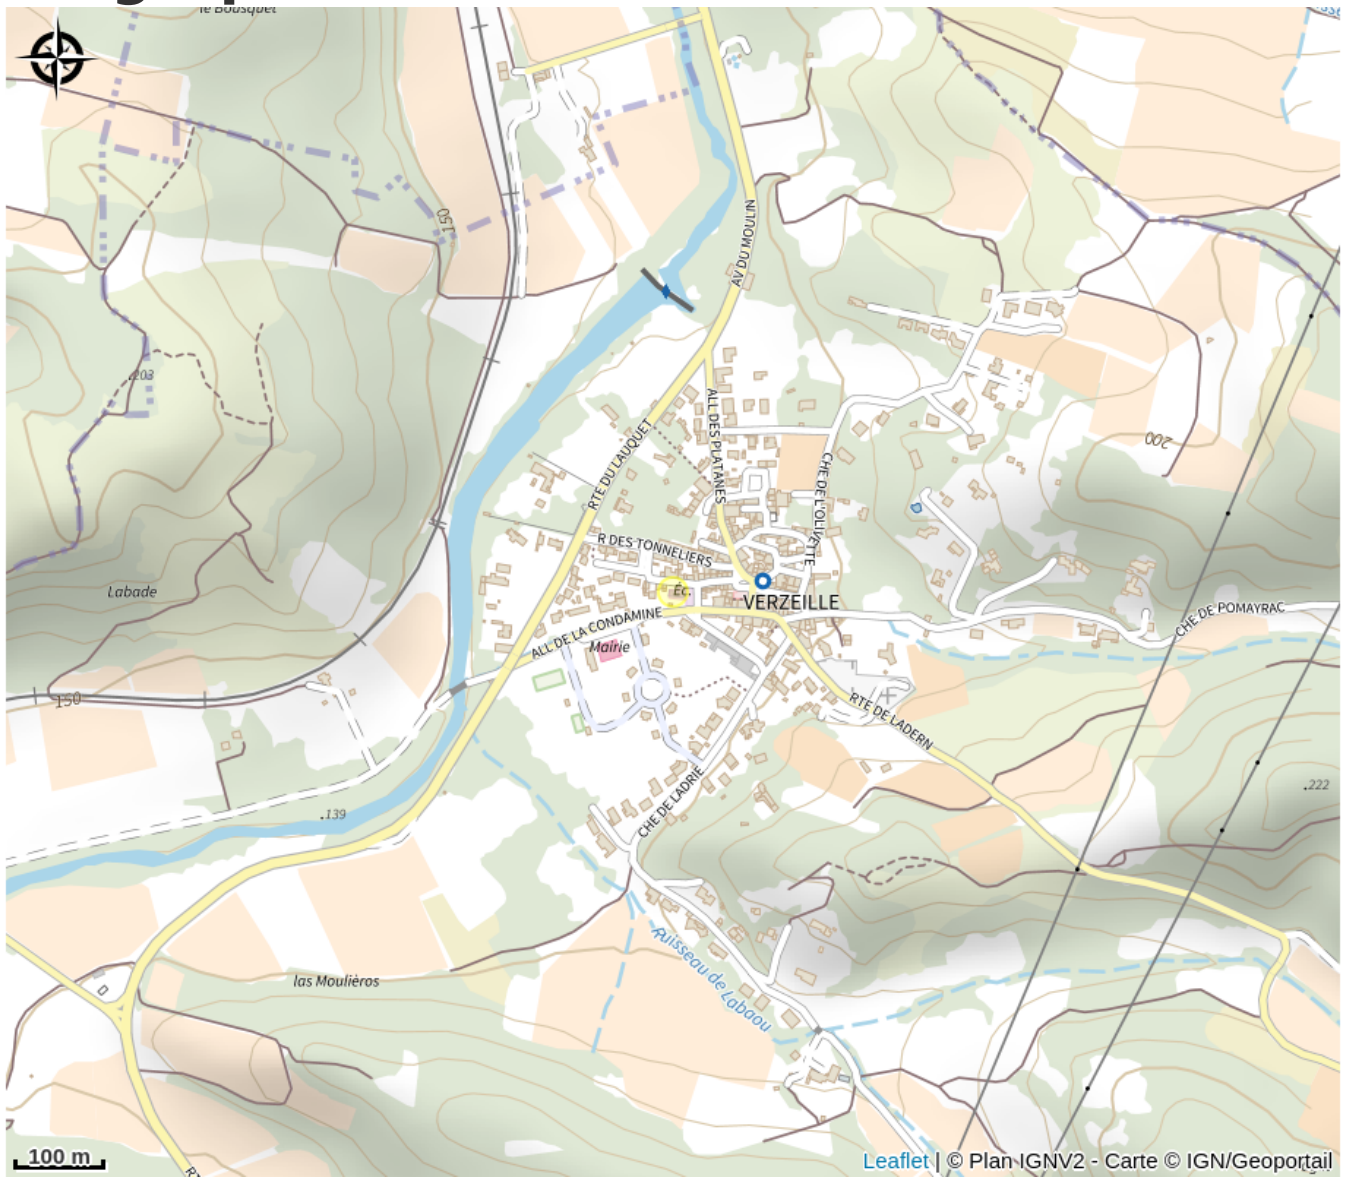

Category : Wine cellars and local produce

Label : Agriculture Biologique

Description

The estate is located 15 km from the medieval city of Carcassonne, overlooking the small village of Verzeille. The 28 hectares of vineyards, olive groves, orchards, pine forests and scrubland create a beautiful, balanced landscape. Our entire estate has been farmed organically since 1998. We pay a great deal of respect to the different phases of the moon in our work and take great care to listen to our land. We have been working biodynamically for over a year. The winery is open throughout the year, Monday to Saturday, 8.00 am to 12.30 pm and 1.30 pm to 7.30 pm. Calling ahead will ensure that we are there for you (we are often in our vineyards).
