Description

A stroll through the streets of Rieux-Minervois in the form of a quiz... Use your phone or tablet to scan the QR code displayed on wooden panel No. 1 outside the tourist information point at 5, Rue Saint-Blaise (near the church). A map of the centre of the village will appear, with numbers from 1 to 10 corresponding to the points to visit on this walk and quiz. You can find the answers by scanning the QR code found at each point on the route. It is a fun way to explore the heritage of Rieux at your own pace through its ancient streets full of history - not forgetting a special, more in-depth visit to the outstanding 7-pillared rotunda of Sainte-Marie church (contact the PIT or the town hall) on +33 (0)4.68.78.10.15).
