Description

We are open to the spirit of travel and to the discovery of other cultures and traditions, and we fell in love with Sicily for both its landscapes and its gastronomy. Our products from Sicily and Italy will transport you on a journey with us. Our pizza dough is made using Italian flour, our cold meats are cut on site and we only use fresh ingredients. Ponticcioli products, buffalo mozzarella from Antonini & Co and Urbe red wine and Aurelia rosé wine from Corbière are available in the grocery shop.
