Description

Welcome to la Friche Artistique! Five exhibition rooms, an artists' studio all in an exotic setting in the heart of the city of Carcassonne. “La Friche” is a creative space bringing together artist workshops and large exhibition spaces, in an associative and multidisciplinary approach. The space welcomes independent artists. Different exhibitions and various projects will also be offered regularly. Based on a rigorous selection, the program is planned to be rich in experiments and confirmed artistic identities. Toile de Lu and the entire “La Friche” team are convinced that art and culture are two essential links to combine to make the heart of the city attractive. It is an economic, social and cultural issue. Art is a pleasure purchase! And they want to offer you this pleasure!
