Description

We welcome you for a gourmet and relaxing experience at our table d'hôte or in our tea room at La Demeure Bergamote in Fontiers-Cabardès. Throughout the seasons, we offer varied menus rich in discovery. We cook with local produce, enhanced with herbs picked on our estate and spices selected and ground by us. Charm and comfort come together to create an unforgettable experience. This exceptional location, nestled in 6 hectares of greenery, is home to two small lakes and a splendid winter garden in Fontiers-Cabardès. Enjoy our boutique selling cosmetics and soaps made from our donkeys' milk. Relax with our beauty treatments based on our range of products. Ethical and organic, our formulas are unique, imagined and designed entirely by us for you. We welcome you by appointment.
